

Triton completes acquisition of Fertiberia Group

Frankfurt (Germany), Madrid (Spain), XX February 2020 – Funds advised by Triton (“Triton”) have successfully completed the acquisition of Fertiberia Group S.A. (“Fertiberia”), a leading producer of fertilizers and industrial chemical products, from Grupo Villar Mir (“GMV”). Terms and conditions are not disclosed.

About Fertiberia

Fertiberia is a leading producer of fertilizers across the Iberian Peninsula and Europe, providing a comprehensive set of fertilizer products that cover a wide range of crop needs. Fertiberia is also one of the main producers of industrial chemical products, offering a broad set of industrial ammonia and derivative products for use as chemical raw materials as well as environmental solutions in various industries.

Fertiberia has about 1,400 employees operating across 14 production and blending sites, as well as a broad commercial and logistics network strategically located across the Iberian Peninsula.
